

COMPACT SERIES

Twist Gravity Soft Serve Freezer

Model FM8

Twist flavor soft serve machine. The "Compact Series" is developed to save space, yet big enough to turn up to 80% profits on every serving. Top off your business with Electro Freeze "Compact Series" machines.

Construction

Sturdy angle iron frame, stainless steel mix hoppers, beaters and freezing cylinders.

Mix Level Indicator

Mix level indicator illuminates to inform the operator to add mix.

Axial Flight Beater

Precision crafted and machined to exacting standards resulting in a superior quality product, with fewer parts.

Dispensing Head

Finest insulating material available...no frost, no drip. Easy pull-down handle with self closing spigot.

Mix Feed

Specially designed to maintain optimum overrun.

Refrigeration

Two 3/4 H.P. low temp compressors permit fast freeze-down and quick recovery.

Freezing Cylinders

Two 2.5 quart, polished stainless steel freezing cylinders foam insulated for maximum efficiency.

Mix Hoppers

Equipped with two 10 quart, refrigerated stainless steel, foam insulated mix hoppers.

Night Switch

Provides controlled refrigeration of product during night or any non-business period...reduces product deterioration.
