

# Compact Series Twist Gravity Freezer

## Model CS8

Counter model twist flavor soft serve machine. The "Compact Series" is developed exclusively for your countertop, compact enough to sit on your counter, yet big enough to turn up to 80% profits on every serving. Top off your counter with Electro Freeze "Compact Series" machines.

## Unique Features

### Construction

Sturdy angle iron frame, stainless steel mix hoppers, beaters and freezing cylinders.

### Mix Level Indicator

Mix level indicator illuminates to inform the operator to add mix.

### Axial Flight Beater

Precision crafted and machined to exacting standards resulting in a superior quality product, with fewer parts.

### Dispensing Head

Finest insulating material available...no frost, no drip. Self closing spigot with positive displacement.

### Mix Feed

Specially designed to maintain optimum overrun and easy to clean.

### Refrigeration

Two 3/4 H.P. low temp compressors permit fast freeze-down and quick recovery.

### Freezing Cylinders

Two 2.7 quart, polished stainless steel freezing cylinders foam insulated for maximum efficiency.

Model CS8

### Mix Hoppers

Equipped with two 10 quart, refrigerated stainless steel, foam insulated mix hoppers.

### Night Switch

Provides controlled refrigeration of product during night or any non-business period...reduces product deterioration.
